Maelstrom

In the fu ture — We'll all live un - der wa - ter
well my friends — its on ly get ting hot ter
Ear - ly on — I al ways played it cau tious
I guess its time — to/ex - am ine my own trau ma

and on the sur face — it's all just pla stic bot tles
ev - ery one — have a great sum - mer
I did nt know — that's just not what she wan ted
How to ex plain — I still feel like I'm haun ted

it all seems so/sim ple(x4) in the eye of the storm(x4)
